Frank Grove

Frank Grove, born on April 8, 1909 in Carthage, Missouri, came to California with his family in 1920 where he attended school in Ontario. In 1926 he enlisted in the U.S. Navy. Mr Grove served for 30 years, retiring in 1957 to spend most of his time in Guadalajara, Mexico.

It was during this period of his life in Mexico that he became interested in collecting the medals and proclamations of Mexico, and which eventually led to his authorship of the most comprehensive study on the subject, in three volumes, the Medals and Proclamations of Mexico.

Along the way, Mr. Grove made many acquaintances with fellow numismatists of Mexicana who were instrumental in locating material for his collection and sources for invaluable informations for the books: Neil Utberg, Clyde Hubbard, Jaime Varon, Merrill Bothamley and Miguel Munoz.

Although Mr. Grove is selling his Medals and Proclamations he still has thoughts of revising his now famous *Medals of Mexico* book. Originally, the three books were only supposed to be a pamphlet, but somehow, ten years in the making, 960 pages, it is the standard reference. Many of the items in the sale are the plate pieces in the books.

Mr. Grove spent nearly 30 years accumulating his collection. Truly avid, he would travel far wide in pursuit of additional pieces, to smallest rural villages in Mexico, to places across oceans in Spain.

Mr. Grove's plans are for the future, his contributions to the hobby will endure generations of numismatics to come. Superior Galleries takes great pleasure in offering the Frank Grove Collection of Mexican Proclamations and Medals.

Robert Grover

Robert L. Grover is a native Chicagoan, educated in the public schools and at Northwestern University (B.S., J.D.). He has been a member of the Illinois Bar since 1934. Following nine years of law practice with a leading Chicago law firm, he joined the corporate staff of Snap-on Tools Corporation, in Kenosha, Wisconsin, where he served as legal counsel, Secretary, Vice President, Executive Vice President, President and Chairman of the Board during a thirty-five year career. Now in retirement, he remains active in civic affairs, social service activities and numismatics. He lectures on both coins and business management, and has recently been named a Distinguished Lecturer by the University of South Florida Graduate School of Business.

Mr. Grover's interest in numismatics is rooted in a life long interest in the history and culture of the ancient world, dating from university studies. During his business career he travelled widely in Europe and the Middle East, taking time off occasionally to study antiquities and from friendships with local students of similar interests. His collection has been formed over nearly fifty years. One specialized group of coins of Roman Egypt has been donated as an academic research source to the Art Institute of Chicago, of which he and Mrs. Grover are Honorary Governing Members.

The Seleucid pieces in the collection were acquired over a couple of decades following some visits to the rich antiquities spots of precatastrophe Lebanon and Syria and the development of relationships with collector-dealers in those countries. On a parallel track was a deep interest in the world of Alexander the Great and the post-Alexander period, an interest which resulted in the formation of a collection of the tetradrachms of the Alexandrian period.

Mr. Grover found the out-of-print status and consequent unavailability of the scholarly works in the Seleucid field to be a barrier to wider interest in the Seleucid group. Accordingly, with the assistance of Dr. Walter Sheridan and Lincoln Higgie, he arranged and financed the reprinting of some of the classic studies, particularly Edward T. Newell's *Eastern Seleucid Mints* and *Western Seleucid Mints.* They are now easily available at reasonable prices.

The collection was never consciously aimed at rarities. Rather it developed in diversity and variety, providing on a wide spectrum theme, which provided, over the years (as Mr. Grover puts it) a friendly and stimulating refuge from the daily crises of a frenetic world.

How does a person get started in numismatics? Mr. Grover relates that very early in his professional career, as a young lawyer on a tight budget amid the disciplines of the mid-1930's, he saw a denarius of Probus on display in the flyspecked window of a stamp and coin shop on Monroe Street in downtown Chicago. The name and association struck a chord. The coin demanded a further look and Grover finally purchased it with the economies of no lunches for a fortnight. It was the beginning of a long and happy hobby relationship.

Terms of Sale

1. This is an unrestricted auction and mail bid sale conducted by Superiór Galleries (SUPERIOR). Subject to SUPERIOR'S consent, all persons, including consignors, SUPERIOR, and its principals may bid on any lot.

2. A Buyer's Commission of ten percent (10%) on each individual lot will be added to all purchases made by all bidders except consignors, regardless of bidder's affiliation with any group or organization, and will be based upon the total amount of the final bid. THE BUYER'S COMMISSION WILL BE ADDED TO ALL INVOICES except for reacquisitions by Consignors in which case a reacquisition charge may apply.

3. All material shall be sold in separate lots to the highest bidder. If any dispute arises during or immediately after the sale of a lot, the Auctioneer shall have the right to rescind the lot sale and put it up for sale again. In all cases, Auctioneer's decision shall be final. For the bidder's protection, no ''unlimited'' or ''buy'' bids will be accepted.

4. Auction sales are strictly cash in U.S. funds payable through a bank in the United States. Lots must be paid for upon the sooner of receipt of invoice or delivery. NO CREDIT CARD PURCHASES WILL BE ACCEPTED. Bids will not be accepted from those persons under eighteen (18) years of age without a parent's written consent which acknowledges the terms and conditions of sale herein.

5. By bidding in this sale, bidder personally guarantees payment. If a corporation is bidder, the officers and / or principals of the corporation agree to personally guarantee payment.

6. Floor bidders and mail bidders who have not established credit with SUPERIOR must furnish satisfactory credit references or deposit at least twenty-five percent (25%) of their total bids for that session(s) or such other amounts as SUPERIOR may require before such bids will be accepted. Deposits submitted will be applied to purchases and any unused portion of such deposit will be promptly refunded.

7. Bids must be for an entire lot and each lot constitutes a separate sale. No lot will be broken up. Lots will be sold in their numbered sequence unless Auctioneer directs otherwise.

8. This is not an approval sale. All lots sold to the highest bidder as determined by Auctioneer are final. Floor bidders are encouraged to carefully examine all lots which they are interested in purchasing since NO LOT PURCHASED BY A FLOOR BIDDER MAY BE RETURNED, including those lots where the bidder is acting as agent for another, or to mail bidders who have examined the lot.

9. a. All items offered in this catalogue are guaranteed to be genuine. Claims to the contrary must be made in writing within ten (10) days after receipt of material.
   b. No lot may be returned without prior written consent.
   c. Questions regarding the minting of a coin as a proof or as a business strike relate to the method of manufacture and not to authenticity.
   d. If a lot is to be returned, it must be housed in its original, sealed and unopened container.
   e. Late remittance constitutes just cause for revocation of all return priviledges for any reason.
   f. In no event may any lot be returned after thirty (30) days from the date of sale.
   g. Superior shall not be bound by any prior, or subsequent opinion, determination or certification by any grading service and such lots are sold under the condition that any claims to the contrary regarding grading, authenticity or methods of manufacture must be made in writing within ten (10) days of receipt of material. The descriptions contained herein represent the cataloguer's opinion or the opinion of a Grading Service where indicated as to the state of preservation and strike.

10. Auctioneer reserves the right to open the lot at a reasonable price and to withdraw any lot at any time.

11. When identical mail bids are received by SUPERIOR for a lot, preference is given to the first bid received. A mail bid will take precedence over an identical floor bid; a floor bidder must bid higher than the highest mail bid to be awarded any lot. Auctioneer reserves the right to refuse any bid at his sole discretion.

12. Auctioneer cannot be responsible for errors in bidding. Please make certain that you bid on the correct lot and that your bid is the maximum (plus the ten percent (10%) Buyer's Commission) that you are willing and able to pay.

13. Sales tax, if required by law to be collected, postage and insurance plus the ten percent (10%) Buyer's Commission, will be added to the invoice for any lot(s) that is invoiced to successful bidders. All lots delivered in the State of California are subject to local sales tax. Individuals purchasing lots for resale must submit an exemption certificate signed by the purchaser or his agent and recognized by the State of California, with their current seller's permit number, or be subject to the local tax.

14. Title to any lot remains with CONSIGNOR until the lot is paid for in full. SUPERIOR reserves the right to require payment in full before delivering any lot to the successful bidder. It is the buyer's responsibility and obligation to have the lots fully insured while in his / her possession. Risk of loss is on the buyer.

15. In the event a successful bidder fails to make payment when due, SUPERIOR reserves the right to resell the merchandise and bidder agrees to pay for the reasonable cost of such a sale and also to pay any difference between the resale price and the previously successful bid.

16. If the auction invoice is not paid for in full when due per invoice terms, the unpaid balance will bear interest at the highest rate permitted by law until it is paid. If the matter is referred to an attorney for collection, bidder agrees to pay all attorney fees, court costs and and other collection costs incurred by SUPERIOR. The courts of Los Angeles County, California, shall have exclusive jurisdiction and venue over any suit initiated by SUPERIOR to collect past due invoices and that the service of process by certified or registered mail, return receipt requested, shall be sufficient to confer ''in personam'' jurisdiction over bidder.

17. All photographs in this catalogue are of the actual coins, medals or currency being sold but may not be actual size.

18. SUPERIOR reserves the right to postpone the auction sale or any session thereof for a reasonable period of time.

19. Neither SUPERIOR nor the Auctioneer shall be responsible for incidental or consequential damages arising out of any failure of the terms and conditons of the auction and sale or the conduct thereof and in no event shall liability for any such failure exceed the purchase price paid.

20. Bidding in this sale constitutes acceptance by the bidder of all the foregoing terms and conditons of sale.

Coins described with a grade by a Grading Service represents the opinion of that Grading Service and does not necessarily represent the opinion of the Auction Company and are offered here on an ''as is'' basis and not subject to return by any mail bidder or floor bidder.

Grading is an art and not a science. The grades herein represent our opinion based on our experience. Therefore, it is possible that two people will not always grade the same item alike. Also, as market conditions change, grading standards change, and may continue to do so in the future. Your examination of the item(s) should be the criterion and not the grade represented by another. In any purchase or sale, the value of the item(s) is determined by the price. Catalogue price descriptions are only estimates as determined by SUPERIOR for the convenient reference of bidders and should not be relied upon as actual statement or prediction of current market value which is determined by auction sale.

Instructions for New Mail Bidders

If you have never used our mail bid system, here is an explanation. The procedure is quite simple. On the enclosed Mail Bid Form there is a space provided for the lot number and the amount you are willing to bid. After carefully reading the description of the lot you wish to bid on, write down the lot number and the maximum amount you are willing to pay. For example, let us assume you are interested in bidding on Lot 1 and the maximum you are willing to bid is $150.00, your bid sheet would be as shown on the right.

The bid which you enter is the ''maximum amount'' or top price that you are willing to pay for a lot (unless you have checked one of the percentage increase boxes). However, there is always the possibility that you may obtain the lot for less. As indicated in our ''Terms of Sale,'' we act as your agent and execute your bids as if you were at the auction in person.

Before mailing, check you bid sheet for accuracy. Make certain that you bid on the correct lot and that your bid is the maximum you are willing to pay.

Bidding by mail permits you to participate in the auction as though you were in attendance. Many rarities are obtained through the medium of auctions and it can be a very exciting as well as a rewarding method of obtaining wonderful items. We look forward to your participation in our sales.

Thank you,
The Auction Department

Queen Victoria ascended to the throne upon the death of her Uncle William IV in 1837 at the young age of 17. By way of royal proclamation, 5 Pound pieces, Sovereigns and ½ Sovereigns were first to be issued in 1838. The 5 Pound piece was produced in 1839, however only as a pattern and never became an official coin.

The 5 Pound piece was designed by William Wyon. The obverse of the 5 Pound piece depicts a young bust of Victoria facing left. Her hair is bound with two fillets, below W. Wyon R. A. on truncation. The fame reverse depicts the Queen as Una representing truth, guiding the British lion left. Below, the date 1839 is in Roman numerals with William Wyon below date. The reverse legend reads DIRIGE DEUS GRESSUS MEOS — ''God direct my steps.'' The edge has a raised inscription ''DECUS ET TUTAMEN * ANŃO REGENI TERTIO *.''

This famous set includes the ''una and the lion'' 5 Pound gold, also the Sovereign and ½ Sovereign gold, 9 silver coins from the Crown down to the Maundy Set, and three copper coins.
